## Charitable Giving

### Steps that you should consider when embarking on the design of your charitable giving:

Step 1: Determine when to give. The timing of charitable gifts can have financial consequences for the donor, the donor's heirs, and the charity. The donor's cash flow needs, purpose for giving, desire to pass assets on to heirs, and estate and tax planning needs should all be considered.

Step 2: Choose what to give. The type of property donated can also have a big financial effect. Cash tends to be easiest. However, donations of appreciated securities or property may yield an equivalent benefit to the charity but carry much greater tax and estate planning advantages for the donor.

Step 3: Decide how the gift will be made. The many methods of giving include direct gifts, bequests, charitable trusts, and donor-advised funds. Each has its benefits and considerations and can serve very different goals. Selecting the right method is critical to the success of the donor's giving strategy, investment plan, and overall estate plan.

### So -- what are the possibilities?

#### Annual Giving

Annual giving is simply a gift to the Fountain Hills Community Foundation that is given in any calendar year. The gift can be in any amount the donor chooses and can be given once or every year as the donor elects. Most donors think of this as being an annual contribution made each year; although it is certainly possible to make even a very large single donation to the Foundation's general operating fund or for a named specific project or endeavor.

The Fountain Hills Community Foundation has established various recognized levels of annual giving to be listed unless a request is made to remain anonymous. They are:

|                              |       |
|------------------------------|-------|
| Friends of the Foundation    | \$100 |
| Benefactor of the Foundation | \$250 |
| Patron of the Foundation     | \$500 |

All are invited to a special annual meeting. Benefactors and Patrons of the Foundation will receive an identifiable pin to specifically recognize their extra contribution. All members of the Board of Directors are expected to be Patron Members. Special recognition may be given for single large contributions given to the general operating fund of the Foundation at the discretion of the Board of Directors.

## **Planned Giving of a Future Gift**

Future planned giving occurs when you plan to donate to the Foundation at some future time. The donation may take the form of a gift that is delayed for some period, i.e. from your estate at the time of your death, from a life insurance policy with the Foundation being named as the full or partial beneficiary or from the remainder interest in a trust. The donation would be given to the Foundation in the future.

There are no specific levels of recognition for a planned gift; however, it is anticipated that the gift would be substantial. The donor would complete a Foundation Testamentary Provision Form, which would be filed for information purposes only. The individual(s) making the future gift would be recognized as being a member of the "Legacy Society".

Upon receipt of the gift, the Foundation would recognize the qualified gift publicly, unless requested not to do so, and the gift would become a part of the Foundation's operating fund or endowment as stipulated by the donor. I.e. if the donor made the Foundation a beneficiary of a portion of a life insurance policy death benefit, the donor would initially be listed as a member of the "Legacy Society" and subsequently, if the donor stipulated that the proceeds were to go to the Foundation's general endowment fund, the donor would be recognized at the appropriate level of recognition for their endowment donation.

## **Endowment Gifts**

As mentioned in Parts One and Two of our informational packet, an endowment fund is a special fund that's invested for long-term growth and exists to support our mission, which is to build a legacy in Fountain Hills and the surrounding communities by investing in non-profit organizations whose work improves the lives of our youth, seniors, families and community and yours, now and in the future.

The reader should refer to Parts One and Two of the informational papers addressing the Fountain Hills Community Foundation Endowment Fund for general and specific information. We welcome your questions and interest in establishing a specific endowment fund or contributing to the Foundation's General Endowment Fund.

Endowment gifts are generally substantial in nature, but we welcome all levels of giving to the General Endowment Fund. If you have an interest in establishing a Restricted Endowment Fund, the level of contribution necessary to fully support your area of interest is determined jointly by you and the Foundation.

The Foundation has established special recognition levels for both the General Endowment Fund and for Restricted Endowment Funds based upon the donor's minimum contribution as follows:

1. Silver \$ 5,000+
2. Gold \$ 10,000+
3. Platinum \$ 25,000+
4. Emerald \$ 50,000+
5. Diamond \$100,000+
